CALL TO ARTISTS

SCAPE Art Walk Booth

This is SCAPE's first group booth at the outdoor Art Walk show.

Artists who enter this exhibit will work as a group during the summer to plan the booth. The booth canopy and a SCAPE banner will be provided by SCAPE. Jurying fees and the entry fee will be paid by SCAPE. All other display panels, chairs, etc. must be provided by the artists. Artists will be expected to participate in the hanging of the show and to share in staffing the booth during the weekend.

Participants must pay a \$10 ingathering fee and donate 10% of their sales to SCAPE. Artists are also requested to donate a portion of their sales (40% suggested) to an environmental group of their choice in accordance with SCAPE's policy for all shows.

INGATHERING: Artists may submit one "show piece" for jurying on Tuesday, June, 6, 10-12:30 at Lacuna Gallery, 517 Laguna Street. If selected, this piece must be hung in the booth and an image may be used for publicity. There is no theme for the work in the booth, but it should be representative of other work that the artist will show. Artists are invited to submit paintings in all media, collage or framed assemblage. We don't exhibit photographs or digital art.

Only SCAPE members have the privilege to participate in this exhibit, [click here for membership form](#) and mail a check to our PO Box made out to SCAPE for \$35. Artists may also join SCAPE at the ingathering.

After the ingathering, the selected artists will meet on date to be determined to decide what other works may be shown in the booth and how they will be displayed. There will be no awards given at this exhibit.

Insurance on art pieces submitted and/or exhibited is the responsibility of the artist. If your work is seen at the exhibit and purchased after the exhibit by that buyer at your studio, please respect the terms of the show.

Chair: Morgan Green

(cbgreen@earthlink.net) or 687-5793

WHEN: Saturday and Sunday,
September 30-October 1, 2006

Set up and Reception: Friday,
September 29
