We are excited about spring!

Our spring annual La Arcada SCAPE (Southern California Artists Painting for the Environment) exhibition will benefit the **Santa Barbara Botanic Garden**. After our record rainfalls, gushing Mission Creek, and drenched soil, spring in the Garden will be spectacular. New growth and an array of colorful wildflowers will inspire us to paint. The meadow will also be graced with a Patrick Dougherty installation which he will be constructing February 8-26. [Paint-outs](#) in the Garden as scheduled.

The image ingathering for invitation and publicity: **March 21st from 9-11 am**, and pick up **3-5 pm**, at the Marcia Burt Studio (517 Laguna St.).

Ingathering: Faulkner Gallery, Friday, May 13 from 10:00-12:30.
