### 1. CALL TO MEMBERS

#### *SUN, WIND, WAVES: It's all Here, Renewable Energy!*

Our annual La Arcada Exhibit will be held in the Faulkner gallery at the Santa Barbara Library, during the entire month of July. This year's beneficiary will be the Community Environmental Council (CEC). The theme of the show is *Sun, Wind, Waves: It's all Here, Renewable Energy!*

Artists are invited to submit works that portray Santa Barbara's vast natural beauty and energy. Images of urban landscapes, renewable energy themes and alternative modes of transportation are a suggestion! The ingathering will be Thursday July 1<sup>st</sup>, 9:00 am to noon. The reception will be that evening at 5:00 pm to 8:00 pm, to coincide with First Thursdays Santa Barbara. Guests will enjoy the art, refreshments, and great music with Rustin Slager!

It will be a busy weekend! SBAA will also be having a La Arcada event. If we have volunteer artists in our Faulkner Gallery it will help sales. CEC will also host a special invitational mixer for their members and SCAPE at the home of CEC Patron Cass Ensberg on July 22 from 6:00 to 8:00 pm. Paintings that are awarded "Best of" and honorable mentions will be displayed at the Patrons event as well! Prizes will be award for: Best of Theme, Best Oil, Best Watercolor, Best Pastel, Best Acrylic, Best Mixed Media, and each category will have an honorable mention as well.

Any artists interested in doing a painting demonstration around the Courtyard or SB Courthouse area will also be great advertising! Let LeighSparks know if you are interested

***We would love to have to have YOU volunteer!*** We are seeking volunteers to coordinate our ingatherings. The more volunteers we have, the more fun everyone has. Come do your part to help make these worthwhile exhibits a success! Contact Leigh Sparks at [Princessleighhm@aol.com](mailto:Princessleighhm@aol.com) or call 570-9195

#### Thomas Van Stein

Next SCAPE workshop is with Thomas Van Stein in Catalina, September 19-21. Lots of day painting and some opportunity for moonlight work also. This should be a perfect time and lots of fun. Due to rental deposits, Meggi is requesting a cutoff time 6 weeks prior to the workshop for deposits.

Plan to arrive on Saturday, September 18 and get settled in the Fairview Cottage reserved for artists. A dinner party will be held at the cottage that evening.

Thomas will begin on Sunday morning with a demonstration *en plein air* and a lecture on handling of oil medium and a limited palette. Potential sites are the Casino and Descanso Beach. On Monday we may paint near the Harbor. Additionally, should you desire, you may take the opportunity to paint the moonrise and nocturnal scenes. There are many beautiful spots on Catalina to paint and Thomas, having a family cottage on the island, will scout them out. Tuesday will end with a critique and return to the mainland.

A ferry schedule and rates will be supplied upon receiving your completed application and check. Advise if you want to reserve at the Cottage or desire another location and I will help you. Contact: Meggi MacKenzie at [meggimac@gmail.com](mailto:meggimac@gmail.com) to make a reservation for the workshop and cottage.
